

Collage Cards Instructions:

Use the following cards to setup rotating collage stations for your students. By the end of the period, every student should have a unique collage filled with different materials, colors techniques, and inspirations.

Art can take on many forms, after all!

1. Setup tables with 2-3 activities per table
2. Rotate kids clock-wise every 5 minutes.
3. Finish with a gallery walk of everyone's work

Acrostic Poem

Think of one word and write it vertically on your paper. Each letter will be the start of a new line of the poem.

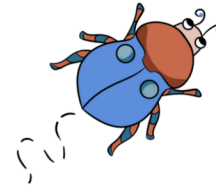

T- towering over the land
R- rest inside its branches
E- ever growing, ever changing
E- extraordinary in their beauty

Free Choice

The choice is yours! Jump ahead to a new station or go back to one you've been to before.
